TOP NEWS

WEBSITE LAUNCH

At the start of June, the Eirianfa website went live! Thank you to those who took the time to come and test out the website and provide feedback before it launched.

If you haven't visited our new site already, just search for www.eirianfa.org and if you have any feedback or suggestions please send an email to admin@eirianfa.org.

GRANT FUNDING

This year we were awarded a grant from the Brenig Wind Farm Fund which has been used to insulate the centre. The works for this took place at the start of summer.

The Welsh Churches Act Fund also granted us funds to use towards outside seating which was purchased from Meifod Wood Products in Denbigh. We can't wait for our outside space to be completed and ready for use in 2026!

REDECORATION AND REFURBISHMENT

Thanks to the Screwfix Foundation donation at the end of 2024, the centre has received a fresh lick of paint over the summer. Our caretaker Paul worked hard redecorating all of the rooms and made sure the floors were left sparkling too! Thank you to Beth at Denbigh Screwfix, who is pictured with Paul below.

A YEARLY ROUNDUP FROM CANOLFAN EIRIANFA CENTRE

We are delighted to say it has been another busy twelve months at Canolfan Eirianfa Centre. A whole host of activities and events have taken place including birthdays, anniversary celebrations, training sessions, weddings, fairs, information days, social and hobby groups, blood donations, church services and coffee mornings - the list is endless!

Firstly we would like to thank you all for putting up with the disruption caused by our brief closure over the summer. Due to an incident at the start of the year, we closed for a few weeks in August so essential work could be carried out to the front of the building and inside MR1. We were able to open sooner than planned thanks to B&W Builders (Rhyl) who carried out the majority of the refurbishments with doors and electrics dealt with by Gordon Overthrow (Rhyl) and E G Morris (Denbigh).

Our outside area to the side of the centre also received some TLC this Spring thanks to volunteers from Breedon Denbigh Quarry. They carried out the clearing work as part of their Community Liaison activities and Thorncliffe kindly donated a skip. We're hoping the area will be ready to enjoy once the warmer and sunnier days arrive in 2026.

In 2025 we welcomed new groups, Eleni Cymru and Grace Church Ladies Fellowship as regulars to the centre. Three new trustees have also joined the board and they represent our regular groups - Atgofion, Denbigh Community Choir and Denbigh Church Ladies Guild.

We would like to take this opportunity to extend a huge thank you to all those who have booked and visited the centre throughout 2025. Your help and support has ensured that the centre remains a thriving hub for the local community.

We love to see photos of your events and are happy (with your permission) to share them on our Facebook page. Tag us in your posts using @CanolfanEirianfaCentre.

A special thanks also needs to go to our wonderful Eirianfa Community Fridge volunteers. They work tirelessly throughout the year to ensure the fridge is fully stocked up and staffed on Monday and Thursday mornings - thank you all.

Wishing you all a very Merry Christmas and a Happy New Year!
